LETTER OF RECOMMENDATION

Dear Sirs,

We are pleased to write you this letter of recommendation towards global inspection company VIC Worldwide.

We have been working with VIC Worldwide since several years with great satisfaction. They are a reliable, professional and proactive surveyor, always ready to provide support in any of our business all over the world.

It is remarkable to note that VIC is also a pioneer in the fields of real-time information, mobile and desktop applications for instant inspection streaming and real time customer feedback during audit & inspection. Providing an important added value to the usual services offered by the surveyor companies.

We would happily recommend VIC Worldwide to perform any inspection, audits, sampling and analysis assignments for industry peers.

Should you require any further info or feedback, please do not hesitate to contact us.

Best regards,
